

BECOMING

a Tech Savvy Parent

**Monday, October 22
at Hixson Middle School**

Dinner Provided @ 5:30pm (with registration - techsavvyevent.family/dinner)
Program begins at 6pm in the gym.
Free & Open to the Public!

Learn about the issues affecting our teens on a daily basis - internet safety, social media, cyberbullying, sexting, addiction, etc...

Get practical help you and your child can use to safeguard your home and child's life.

Speaker and author, Brian Housman comes with 20 years of experience speaking to parents about the ever changing issues with technology and parenting.
